**Importance:** High

Hi Karl,

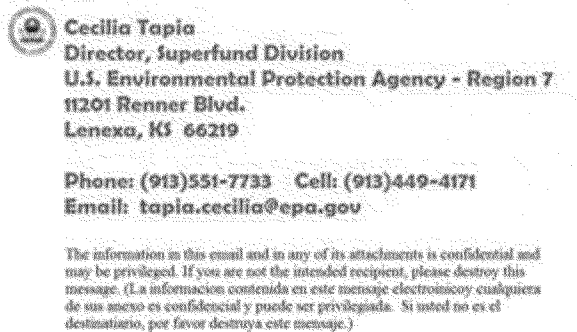

Sen. Blunt (Kerry DeGregorio) has requested a copy of the attached letter.

Please approve for me to share.

Thanks.

**Subject:** Review of Criss letter

Dan,

As you requested, the USGS Missouri Water Science Center reviewed the document titled, "Risk and Character of Radioactive Waste at the West Lake Landfill, Bridgeton, Missouri (14 Mar 2013)" by Robert Criss, Washington University, St. Louis, Missouri. Attached is our review of the subject letter. Please contact me if you have any questions.

Best Regards,

John
